

# 3<sup>rd</sup> Annual Prayer for Life Kansas

## Saturday, April 26, 11:00 a.m.

On April 26, 2019, the Kansas Supreme Court proclaimed abortion to be a natural right even though our constitution says “life” is a “natural right.” On the anniversary of that date, we gather in Topeka to pray a rosary with the intention that God open the eyes of the Kansas public and government.
